Credit Card Information

Cool Kids Learn, Inc. has contracted the services of Network for Good (Groundspring.Org) to process credit card donations submitted online. Network for Good's secured server encrypts your credit card information so that it may be safely transmitted over the Web. Your credit card information will not be released by Cool Kids Learn, Inc. or its banking party to any other party.

If you select "I want to make a recurring donation" when making a gift, you will be registering to make a credit card donation every month, 3 months, or year. After you complete this initial donation, future donations will be made automatically. You will receive an email receipt from Groundspring.org for each recurring donation. As soon as you complete this initial donation, you will receive a separate email containing a password and a link to the DonateNow system where you can review and change your donation options (amount, frequency, billing information) at any time. Of course, you will also be able to cancel your recurring donation at any point in the future. Donors can view and update their personal information on the DonateNow system by using their passwords and the link provided.
